MUNICIPAL COMMISSIONER

C Narayanaswamy Naidu, Esq, B A, B L,

SECRETARY TO THE GOVERNMENT

OF HIS HIGHNESS THE MAHARAJA OF MYSORE

LAW DEPARTMENT BANGALORE

SIR

I have the honour to state that the President of the Rashtriya Sikshana Samithi in Visweswarapuram had applied for the free grant of the triangular plot of land to the east of the present school building as shown in the enclosed plan, and that its grant was refused as the said land is kept as an open ground and park But, on a subsequent petition, the City Improvement Committee passed resolution on 13-7-1943 that the land might be granted to the Samithi for the construction of a school building to be built, after consulting the Government Architect and on condition that the land and the building on it would revert back to the Municipality, if it does not serve the educational purpose The opinion of the City Improvement Committee was approved by the Municipal Council in their meeting held on 14-8-1943 The extent of land to be granted works out to 7,456 sq yards and its value at about Rs 8/- per sq yard comes to nearly Rs 60,000/- Copies of the resolution referred to above are enclosed herein for favour of obtaining orders of Government in the matter

Forwarded with Compliments

I have the honour to be,

Sir,

Your most obedient servant,

Even though the entire land now proposed to be granted, is 7,456, sq yards, as a High School premises, it is not much. A certain part of it, should be

P Suryanarayana Setti
MUNICIPAL COMMISSIONER

Kept open as a play ground

Further, the cost of the land, may not be Rs 8/- per sq. yard. From the grants made in the locality, it may be estimated at Rs 2/- to Rs 4/- per sq. yard.

Since it is for the construction of a school which is now located in a rented building cost might not be of much consideration. Sanction of the Government may kindly be obtained for grant with usual conditions.
